

Food Scraps **PICKUP** Program™

Your household is in the program pilot! Get started today.

Ramsey and Washington counties are bringing a food scraps pick up service to all residents. This program will help turn food scraps into soil instead of trash.

The counties are testing this new program with a small number of households in your area, including you! You have the opportunity to help test the program and provide valuable feedback before it is available to all Ramsey and Washington County residents.

- ▶ **An informational packet will be mailed to you soon. You can also get started today by visiting the website listed below.**

Here's how it works:

Order your free supply of food scrap bags.

Collect your food scraps in the bags. Once a week or when the bag is full, tie a knot at the top to close the bag.

Place your bag inside your trash cart or dumpster for collection.

Done! Your trash is collected as usual, and the bags are sorted from the trash and composted.

Sign up and order your free supply of bags at FoodScrapsPickup.com or call **651-661-9393**.
